Baker-King Award

The Baker-King Award was created in 1962 by Dr. and Mrs. Theodore King, who recognized the significant contributions of all Hospital employees. Mrs. King, whose maiden name was Baker, believed it was important to acknowledge non-supervisory staff. Baker-King honorees are nominated by their managers and supervisors. The Baker-King Foundation established a fund to recognize employees in any non-exempt position within JHHSC/JHH. The awards are presented during the annual JHHSC/JHH Employee Recognition Week to employees who have been truly outstanding in the performance of their duties, and who have thus set an example for all. Each recipient receives a \$100 U.S. Savings Bond, a Baker-King pin, and a certificate signed by JHHSC/JHH leadership. More than 60 nominations were received this year.

Warren Barnes, Patient Financial Services, PSC IV, is one of 21 employees who will be honored at the 2007 Service Award Celebration on Monday, September 17, 2007.

In September 2005 Warren won the Edward A. Halle Award.
